

Local Candidates/Primarily Formed Committees Q&A

2006 Elections

Q: When does a non-incumbent candidate who does not intend to raise or spend \$1,000 or more during the calendar year file the Candidate Campaign Statement Short Form (Form 470)?

A: For candidates who raise or spend funds during the first half of the year in connection with a November election, the Form 470 covering 2006 must be filed by July 31, 2006. If no funds are raised or spent during the first half of the year, the Form 470 may be filed with the candidate's declaration of candidacy, but must be filed no later than the deadline for the first pre-election statement (October 5 for the November 7 election).

Q: A local officeholder filed Form 470 on July 31 for the first six months of 2006. In September, she decides to run for reelection in the November election and opens a campaign committee. Must she file the Form 470 Supplement?

A: Yes, because the officeholder intends to raise or spend \$1,000 or more in connection with the election, the Form 470 Supplement must be filed.

Q: Must a candidate file a late independent expenditure report for payments made by the candidate's controlled committee on his/her behalf during the 16 days prior to the election?

A: No. An "independent expenditure" is a payment made by a third party to support or oppose a candidate – and which is not made in coordination or consultation with the candidate. Therefore, payments made from the candidate's own controlled committee would not be considered "independent expenditures" if they were made on his or her behalf, even if they were made in opposition to the candidate's opponent. In addition, Gov. Code section 85501 prohibits a candidate's controlled committee from making independent expenditures to support or oppose other candidates.

Q: Must a committee file a Supplemental Independent Expenditure Report (Form 465) if an independent expenditure supports or opposes multiple ballot measures?

A: Yes, but only if \$1,000 or more was expended to support or oppose each ballot measure in the independent expenditure. A separate Form 465 must be filed for each measure supported or opposed.
